

COVID-19 WAIVER

Prodigy Wrestling School understands this is a time of a great unknown. It is now, more than ever, important for both mental and physical health continue forms of physical activity and socialization.

Prodigy Wrestling School has created processes to help minimize risks while continuing on with our coaching and training programs.

However, COVID-19 creates risks on going, that cannot be avoided. Firstly, we request that any member, parent, or guardian please stay home if not feeling well or have had contact with known or presumed COVID-19 individuals. This is each member, parent, or guardian's responsibility to help maintain the health of the larger group.

We are making every effort to maintain Prodigy Wrestling School as a safe place but there are unknown risks and potential complications if you contract COVID-19.

We request you to sign this waiver knowing there are potential risks and serious issues that may arise if you contract COVID-19 and you, the member, parent, or guardian not hold Prodigy Wrestling School liable for any potential harm that may arise if you have contracted COVID-19 and Prodigy Wrestling School will not be liable if you then further spread COVID-19 to others.

Thank you
